Youth will raise awareness about emergencies, how to prepare for them, and how to be safe during an emergency.

### **+ Project SHARE**

Youth will distribute home efficiency packs and encourage people to assist others in paying their utilities. Project SHARE is a utility assistance program for the elderly & disabled administered by the Lee Co. Red Cross.

### **+ MEASLES INITIATIVE PARTNERS**

Youth will raise funds to vaccinate children in Africa against measles, which is the leading cause of preventable death in African children.
