# Earn your Red Cross Student Nursing Pin

From the AANS website . . . As a state impacted by the recent effects of Katrina, the AANS board felt it necessary as nursing students to become active relief volunteers. There is a great opportunity to serve 10 hours with the American Red Cross and receive a Student Nurses pin in recognition for one's services in the community. Any student can visit the following link and participate. As a board we challenge each school nursing chapter to work together as a team to meet this goal of 10 service hours with the Red Cross per person. Please visit this link to learn about the program and opportunities to volunteer:

[http://www.redcross.org/services/nursing/0,1082,0\\_388\\_00.html](http://www.redcross.org/services/nursing/0,1082,0_388_00.html)

On Friday I addressed the AANS 56th Annual Convention "Capturing the Spirit of Nursing" in Auburn and shared information about how Student Nursing Chapters across the state can be involved with Red Cross Chapters. I gave them a folder with an overview of how they can earn their Student Nursing Pin.

**Our chapter is eager to offer any student nurses in your program the opportunity to work with our chapter to earn their pin. Please contact Volunteer & Special Events Coordinator Pam Nelson at [pnelson@leeredcross.org](mailto:pnelson@leeredcross.org) or 334-749-9981 to register for a group or individual orientation to begin your volunteer experience with the Lee County Red Cross TODAY.**
